

Leadership and Management in the Early Years

with Kathryn Solly

If you are struggling with situations in your setting or school early years provision, or you need to plan for change, then this course will give you the opportunity to reflect, discuss and plan for quality improvement.

- To establish a firm foundation of understanding the concepts of leadership and management and how both matter.
- To carry out your own professional leader SWOT analysis to create an action plan.
- To consider key strategies such as motivating, being brave, being consistent, negotiating, prioritising and time management.
- To consider various ways of facing problems, inspiring, remaining positive when dealing with difficulties.
- To reflect upon your leadership and management both seen and unseen of children, team members and families.

Kathryn was the former Headteacher of the historic and diverse Chelsea Open Air Nursery School and Children's Centre for nearly 17 years.

Kathryn has taught across all the phases of education in a variety of places including a short time in an Albanian kindergarten.

She retrained to teach in early years and has since achieved a special needs qualification and an M.A. in Early Education and Care.
